

CARMEL LABORATORIES, LLC.

The **Easeamine[®] Skin Care Collection** offers five anti-aging products: Cleanser, Revitalizing Toner, Day Crème, Night Crème, and Eye Crème. Each product is available exclusively online through Carmel Laboratories, Inc. and has unparalleled anti-aging benefits. Adenosine Skin Technology is what sets Easeamine apart by taking the naturally-occurring compound Adenosine and turning it into a powerful weapon of rejuvenation. 508-581-8949 or www.easeamine.com

Kintech USA

Ensprit Skin Care introduces **Total Eye Boost**, a synergistic blend of the latest bioactive peptides that targets the total eye area. This lift, lighten and line-erase eye therapy delivers a potent combination of anti-aging ingredients in one powerful boost, to stimulate collagen and elastic production while reducing puffiness and dark circles-which results in a firmer, brighter, rejuvenated appearance. 877-367-7744, enspri@kintusa.com, www.enspriskincare.com, or CRR# 246

E'shee Clinical Esthetic

E'shee **Cellular Repairing Night Cream** represents the newest and most-advanced formulation to treat aging and photo-damaged skin. This elegant and exclusive Swiss formula contains human Acidic Fibroblast Growth Factor, also known as FGF 1 and Human Identical Tissue Inhibitor (PEPHA-TIMP2) - the latest in patented human fibroblast cloning process and tissue-engineering technology. 888-666-8119 or www.esheesthetic.com

Eve Taylor[®]

Eve Taylor[™] Spf20 Hand & Nail Cream is a moisture rich blend of sunflower, cocoa butter, and natural silicones which seal in valuable moisture to maintain elasticity and provide improved barrier support. Rosewood and tea tree provide a soothing and purifying quality. With advanced Avobenzone screening (UVA & UVB), this product is also great for use in luxury hand massage as part of a manicure. 800-461-3745, www.eve-taylor.com, or CRR# 282

LARÈNIM[®] MINERAL

Hot new make up for 2011. Get a sneak peak at Larenim's new cool and sexy collection. There is no season for **Smoke & Mirrors**, anytime of the year is perfect. It has got a little something to tap into your edgy side or your sweet soft side with bold, bright, and subtle shades. Fun, fabulous, fearless and best of all 100 percent natural beauty! 800-691-0131 or www.larenim.com

GlyMed Plus[®]/Advanced Aesthetics Inc.

GlyMed Plus FOR MEN skin care line is developed specifically to treat the distinctive characteristics of men's skin - the excess oil, larger pores, dehydration, and susceptibility from shaving. GlyMed Plus FOR MEN products are easy to use, uncomplicated, 100 percent natural and masculine - everything today's busy man wants and requires. 800-676-9667, www.glymedplus.com, or CRR# 174.

Lexli[®] Pure Aloe Simple Truth[™]

Aloe-based AloeGlyCÔ Renewing Exfoliant - Exfoliating at least once per day prevents the build-up of dead skin cells and allows moisturizers to be more effective. This patented exfoliant is a way for skin care professionals to help patients maintain healthy skin over the long-term. 877-893-3417 or www.lexli.com
